Dear Parents,

Greetings from Amanora School!

The need of the hour is to stay home and be safe. We urge you to take all precautions to ensure the safety of all the members of your family.

We at, Amanora School are cognizant of the fact that learning should not get impacted and students should not face challenges in their pursuit of academic excellence.

Keeping this in mind, we have taken steps to initiate online teaching for our students of grade X. The teachers will conduct classes as per a set timetable. The same will be extended to the other grades in due course of time.

The sessions will be engaging and we shall create a superior learning experience for students and aid in their learning. The online teaching platform will be an interactive one where both students and teachers can participate in the teaching learning process. The teachers will be using a two-way audio, video and white board tool where both the teachers and students will be able to see, hear and interact in real time.

We seek your support in this endeavour

Warm regards,

Meera Nair
