

Dated: 20<sup>th</sup> April 2021

**CIR/03/2021-2022**

Dear Parents,

Greetings from Amanora School!

For the Academic Year 2020-2021 our school had offered a zero-cost monthly fee payment option via GrayQuest, where parents seeking to opt for the **monthly payment plan** had to undergo a credit eligibility process, which included submitting bank statements and other documents for some parents. After taking feedback from parents, the school has now changed the terms of the GrayQuest offering to ensure **ALL PARENTS** can take the benefit of the **monthly payment plan**, without them having to submit any personal bank/income documents or undergo any credit eligibility program whatsoever.

Thus, all interested and desirous parents of Amanora School will now be accepted unconditionally for enrolment into the **monthly payment plan**. Parents merely have to complete basic sign-up and regulatory formalities. This sign-up process can be completed in less than 5 minutes in a completely online manner.

We hope this change will enable all the parents to take advantage of the **monthly payment plan** and manage their cash flows better, especially during this unprecedented time.

Parents can convert their annual payable fee in **10 equal monthly payments**. For instance, assuming a sample annual payable fee of **Rs.100000/-** that can be paid in the following format -

Sample Annual Fee Amount	Number of Monthly Payments	Monthly Payment
Rs 100000/-	10	Rs 10000/-

As illustrated above there is **No Additional Charge Applicable** for availing the monthly payment option.

This sign-up procedure is completely online and paperless involving just 2 easy steps:

1. Please log on to Neverskip (Parent Portal / App)
2. Select the **monthly payment** option in the fee section and complete basic sign-up formalities

Parents can complete their registration for this facility online in under 5 minutes. In addition to the financial convenience of paying in monthly payments, parents choosing the monthly payment plan will get a complimentary accidental and critical illness insurance cover. For any further details, please get in touch with **GQ** at **022-4893-1822 (all 7 days, 9:00 am to 9:00 pm)** or **hello@grayquest.com**

We hope our parent community finds this offering meritorious.

Thanks and regards,

Best regards  
For **Amanora School**

**Ms. Meera Nair**  
**Director**
