

CIR/31/2023-24

Date: 12<sup>th</sup> October 2023

Dear Parents,

Greetings from Amanora School!

We are thrilled to announce a unique and exciting educational opportunity for our students: **A Virtual Journey of Space** through the Ark Mobile Planetarium at our school campus for grades I ,II and III on Tuesday, 17<sup>th</sup> October 2023 and Wednesday, 18<sup>th</sup> October 2023 during the school hours.

Ark Mobile Planetarium is a portable Dome that provides 360 degree immersive 3D shows with best pictures and high audio quality sound on the upper surface of dome. It brings a real life experience about how outer space looks and feels like. The show will be helpful for students to learn about space science, planets, universe and solar system that is included in their curriculum. It is a combination of Entertainment and learning.

The school's **Health, Safety and Child Protection (HSCP)** team has done a detailed Risk Assessment of the setup and have found it to be safe for the students and staff. The school management and staff will take every adequate precaution to protect and safeguard the welfare of the students in their care during the shows.

Parents are requested to sign the Parent Consent Form (field trip) in the student diary after page 167, latest by Friday, 13<sup>th</sup> October 2023. It may be noted that in the absence of the duly filled out Consent Form your ward will not be taken for this fun learning experience and will be seated in the class.

Best regards,

For Amanora School

Madulikka K Sharma
