Dear Parents

Greetings from Amanora School!

“If there’s a book that you want to read, but it hasn’t been written yet, then you must write it”

Writing is perhaps the greatest of human inventions, that brings together people and citizens of distant epochs, who never knew one another. Books break the shackles of time and stands testimony to the fact that humans can work magic.

We at Amanora, are delighted to announce that our school has been chosen to participate in the Summer Book Writing Festival 2024-25 organized by Bribooks. This program is the world’s largest book writing and publishing event, which is free and aims to include students across grades I to XII. Bribooks is the world’s leading creative writing platform for children, enabling students of all ages to learn creative writing, publish their books online, and sell printed-on-demand books. Bribooks love inventing and telling stories and through their writing festival they empower the children to turn their stories into books.

The students will have an opportunity to write their books on AI platform and will also be able to publish and promote their books, embarking on a journey of becoming Entrepreneur Authors. The achievements of our students will be recognized and celebrated on prominent national and global media platforms.

Please note that participation in the event is completely FREE. Upon registration, you will receive a detailed email with instructions for writing and publishing. To register your child, please click on the link below:

****Note: Amanora School is just a facilitator for this program and that participation is not compulsory. Having said that, we would request parents to use this opportunity to encourage their wards to showcase their creative writing talent and thereby get their books published.**

Warm regards,

For Amanora School
