

CIR/38/2024 - 2025

Date: 17th January, 2025

Dear Parents,

Greetings from Amanora School!

Amanora School celebrated its Annual Concert, a four-days *vibrant, energetic, and exciting* expedition from **Monday, 16th December to 19th December, 2024**. Throughout these four days, we witnessed the incredible potential of our students from Nursery to Grade XII and the profound impact of education that extends beyond the classrooms. Our annual concert, **Odyssey - a life-changing expedition**, was not just about performances; it was about transformation and celebrating the journey of learning itself. The school's Annual Report, encompassing Student, Staff and School achievements, was proudly presented by the **Director Principal, Ms. Meera Nair**.

It was an enchanting show that captured hearts and created memories that will last a lifetime. We are delighted to share the videos and pictures of this memorable event. Please find the link below:
