

**AMANORA
SCHOOL**

CIR/30/2025-2026

Date: 27th October 2025

Dear Parents

Greetings from Amanora School!

We are pleased to announce that **Amanora School** has been selected yet again to host the **CBSE Regional Science Exhibition 2025 on the 14th and 15th of November 2025**. This prestigious event will showcase the creative concepts and innovative initiatives of **146 participating teams** from across the state of Maharashtra, making it a remarkable platform to witness talent, ingenuity, and scientific excellence.

The central theme for this year's CBSE Science Exhibition is **"STEM for Viksit and Atmanirbhar Bharat"**, which is in alignment with CBSE's continuous endeavor to nurture scientific thinking, creativity, and innovation amongst young learners.

Through this theme, students are encouraged to explore how science and technology can contribute to addressing global sustainability challenges. The exhibition serves as a valuable opportunity for students to *demonstrate critical thinking and present ideas aimed at building a sustainable and progressive future*.

Sub-Themes of the event:

1. Sustainable Agriculture
2. Waste Management and Alternatives to Plastics
3. Green Energy
4. Emerging Technologies
5. Recreational Mathematical Modellings
6. Health and Hygiene
7. Water Conservation and Management

Event Highlights:

- **Student Presentations:** On the day of the exhibition, students will showcase their projects and creative solutions. Every project will demonstrate the diligence, investigation, and ingenuity required to address real-world issues.
- **Interactive Displays:** In addition to the presentations, audiences will be able to interact directly with a variety of scientific models and concepts through interactive displays. Students will have a fantastic opportunity to actively learn from one another.
- **Expert Panel Discussions:** We are excited to share that a group of judges with a wealth of expertise, including scientists, educators, and business executives, will be in attendance to assess the projects and discuss the work of the children. The participants will greatly benefit from their advice and comments.

**AMANORA
SCHOOL**

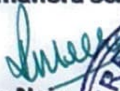

The CBSE Regional Science Exhibition is a proud moment for our school community as it highlights the potential of young students and reinforces the vital role of science and technology in shaping a sustainable tomorrow. We seek your support and cooperation in making this event a grand success.

Please note that, in view of the preparations for the exhibition, the school will remain **non-functional** for students on 13th and 14th November 2025. Timings for the parents and students to visit the exhibition will be shared subsequently.

Warm regards,

For Amanora School

Meera Nair

Director - Principal
