Dear Parents,

Greetings of the day!

We are pleased to inform you that our school is organizing awareness sessions for students in collaboration with **SHY Foundation**, an NGO actively working towards creating awareness on child safety, POCSO, and POSH guidelines.

Session: Good Touch and Bad Touch

Grades: Pre-School & Primary (two separate sessions)

Participants: Girls and Boys (together)

Duration: 30 minutes

Methodology: Puppetry, drama, and book reading

Objective:

- Creating awareness about safe and unsafe touch.
- Helping children understand personal boundaries.
- Building self-esteem and confidence.

Session: Gender Sensitization

Date: 24-02-2026

Grades: V to VIII

Participants: Girls and Boys (together)

Duration: 30 minutes

Methodology: Storytelling, real-life examples, and drama

Objective:

- Developing gender sensitivity and mutual respect.
- Understanding the difference between accidental and intentional touch.
- Learning safe and responsible use of social media.

All sessions are customized as per the needs of the school.

An interactive Question & Answer segment will be conducted at the end of each session to clarify students' doubts.

After the sessions, **SHY Foundation** will share fundraising/donation cards with students. The funds collected are utilized to support victims of sexual assault and those affected by natural calamities.

Please note that contributing to the donation drive is entirely voluntary. The school does not mandate or enforce any contribution.

We believe these sessions will empower our students with knowledge, confidence, and awareness to ensure their safety and well-being.

Warm regards,

For Amanora School
