Date: 25th March 2026

Dear Parents,

Greetings from Amanora School!

It has been yet another successful year of nurturing, grooming, and guiding our students towards meaningful growth and learning. At school, we firmly believe that education is not defined only by academic success, but also by continuous development, values, confidence, resilience, and the ability to learn from every experience. This journey becomes truly impactful when there is wholehearted cooperation from all stakeholders — students, parents, and educators alike. As we come to the close of another academic year, I would like to take this opportunity to express a heartfelt gratitude for your continued trust, support, and partnership.

Throughout the year, the seamless execution of a wide range of activities and events has greatly enriched the learning experience of our students. Club engagements, educational field trips, participation in interschool competitions, achievements in various sporting events, the Annual Concert, and Annual Sports Day all played a significant role in stimulating holistic development and experiential learning. These opportunities have enabled our students to discover their strengths, build essential life skills, showcase their talents, and grow into confident individuals. Their accomplishments and progress stand as a testimony to the collective efforts of the school and parent community.
