Date: 01st April 2026

Dear Parents,

We are pleased to inform you that, in response to repeated requests and the encouraging feedback from parents and students, the **School Canteen facility** will be starting from **6th April 2026**.

The canteen aims to support students—especially those who leave home early or have working parents—by providing **nutritious, hygienic, and affordable tiffin boxes** during school hours. The menu has been carefully curated in consultation with nutritionists and parents to promote healthier eating habits and overall well-being.

Canteen Service Provider

The school has partnered with **Nutriserve**, a vendor with 3–4 years of experience serving in reputed schools. Nutriserve holds a valid **FSSAI certification**, ensuring compliance with Government of India standards for food safety, hygiene, and quality.

 - Police verification

- Preservation of daily food samples for **72 hours**, as per the school standards

Parents are requested to inform the class teacher/coordinator in case of any **food allergies** concerning their child.
