

CIR/11/2026-2027

Date: 12th June 2026

Dear Parents,

Leadership is not about a title; it is about the courage to take responsibility and the commitment to make a difference.

With deep pride and renewed enthusiasm, we celebrate the third chapter of our **Junior School Cabinet [AY 2026-2027]** — a resonant culture of student leadership that invites young learners to find their voice, take responsibility, and make a meaningful difference.

This initiative is far more than a selection process. It is a transformative journey where students grow into confident, compassionate leaders who think critically, act responsibly, and contribute with purpose to their school community. Our Grade V students will step forward as role models—leading by example, inspiring peers, and becoming catalysts for positive change.

Over the years, the Junior School Cabinet has nurtured qualities of resilience, collaboration, accountability, and service. Building on this strong foundation, we remain committed to an environment where student leadership thrives through active participation, innovative thinking, and a deep sense of belonging.

Guided closely by the Senior School Council, school leadership and faculty, these enthusiastic young leaders will represent student voices, initiate meaningful activities and strengthen the spirit of unity and engagement across the school.

Junior Student Cabinet Selection Process

To ensure a fair and comprehensive evaluation, the process will include:

- **Self-nomination — an opportunity for aspiring leaders to step forward with confidence and intent.**
- **Personal interview — a platform to express ideas, vision, and leadership potential.**
- **Panel interview — a final interaction with school leaders to assess readiness, responsibility, and overall suitability for leadership roles.**

We strongly encourage our students to embrace this opportunity—not just to lead, but to grow, to learn, and to leave a lasting impact. Your support as parents is invaluable in guiding them through this enriching journey. Together, let us nurture a generation of confident, compassionate, and future-ready leaders.

We look forward to witnessing the passion, integrity, and leadership potential of our young change makers.

Warm regards,

For Amanora School
