Date: 3rd September, 2026

Dear Parents

Greetings from Amanora School!

We are delighted to share glimpses of our **Annual Concert 2026-2027**, a celebration of talent, creativity, and meaningful messages presented by our students of **Grades II to V**.

Held on **11th and 12th August 2026**, the two-days celebration featured four spectacular shows. **Magic Unplugged – Beyond the Screens by Grades II and III** beautifully highlighted the importance of family, togetherness, love, and meaningful connections beyond the digital world. **Graha Yuti – The Great Alignment by Grades IV and V** carried a powerful message about our responsibility towards Mother Earth and the need to nurture and protect our planet for future generations.

More than just performances, the Annual Concert was an expression of values, awareness, teamwork, and learning beyond the classroom. Each presentation touched hearts, brought smiles and left us with beautiful moments to remember and cherish for years to come. We are delighted to share the photographs and videos of these memorable celebrations. Please find the link below:
