

AMANORA
SCHOOL

CIR/32/2026-2027

21st September 2026

Dear Parents

We are delighted to share that the school is planning a special **Night Out Picnic for the students of grades XI and XII on 24th and 25th October 2026 at -**

Bora Farms, At post Bhimashet, 2860/1, Dingrajwadi Raod, Talegaon Dhamdhere, Maharashtra 412208

This night-out trip is planned as an opportunity for our students to step away from their usual routines, spend quality time with their friends and teachers, and create memories that they will cherish for years to come.

The students will be accompanied and supervised by **teachers and staff members of the school** throughout the outing. The experience will include a variety of **fun-filled activities, games, music and a bonfire activity**, making it a truly memorable evening. The school's Health, Safety and Child Protection (HSCP) team has done a detailed risk assessment of the venue and has found it to be safe for students and staff.

As part of the experience, we also plan to take the students to the **Goshala at the farm**, where they will get an opportunity to see and learn about cows and **feed them**. In today's fast-paced world, such simple experiences of connecting with animals and nature are becoming increasingly rare, and we would love for our students to experience this firsthand.

We sincerely request you to **keep these dates free of any other plans** and encourage your ward to be a part of this wonderful experience. We believe that these are the moments that add to a child's growing-up years—moments of friendship, laughter, learning, togetherness and fun beyond the classroom.

Further details regarding Departure, Arrival, transportation and other arrangements will be shared subsequently.

We look forward to your support in making this a **fun, safe and memorable experience for our students.**

Warm regards,

For Amanora School
